#### Introduction

Catholic Education officially began at St. Malachy in Rantoul on September 8, 1914. Its beginnings sprang from the vision, faith and generosity of Mrs. Catherine Donovan, together with ninety-eight families of St. Malachy Parish. Donovan Memorial School, as it was named, served the Rantoul community for forty-eight years. The Dominican Sisters of Springfield, Illinois were engaged as teachers and have continued to serve throughout its 100 years of existence.

In 1962, Donovan Memorial School was replaced by a new structure, which was named St. Malachy School, in honor of the parish patron saint, and the tradition and service envisioned by Mrs. Donovan continued to grow. The legacy of service through Catholic education has continued to flourish, and in 1991 we completed an expansion to our school that provided additional classrooms, a commons area and a community room. Again in 2006, St. Malachy completed another addition with our "Opening New Doors" capital project that provided a more adequate gym; an early childhood learning area; a science/art lab; and a larger computer lab.

St. Malachy School strongly believes in educating children to strive for excellence in their God-given talents. The curriculum is geared for opportunities to build self-identity, self-worth, self-esteem, as well as self-discipline in students. The goal of St. Malachy School is to intertwine Christian values within the school's curriculum, and with the combined effort of parents, faculty, religious and parish, help form the personal character of our students; helping them understand and accept the responsibilities of citizenship and realize the strength of Catholic education.

St. Malachy School could not be what it is today without the hard work and sacrifice of those who have gone before us. We have engaged in this strategic planning process not to negate the contributions of previous generations, but with the confident conviction that St. Malachy School can do even more and be even a greater blessing to its students and the local community in the years ahead. In order to remain truly faithful to our Catholic mission, St. Malachy School needs to adapt in response to contemporary circumstances and challenges. It is dynamic fidelity to our rich heritage that we seek to achieve through this strategic plan.

The following stakeholders have guided the strategic planning process at St. Malachy School as members of the steering committee:

Kim Clifford Shelley Craft Kenny During Fr. Joel Phelps John Graham Kevin Hedrick Rick Humphrey Tom Iorio Amy Leng Amy Mayer Heather Magrini Joe Murray Pat Quinlan Carol Sadlek Phil Warner Vanessa Martinez Stacie Gianessi

The following pages outline the St. Malachy School Strategic Plan developed by the steering committee. We believe that a successful strategic plan requires broad input from within and even outside of the school community. We therefore invite you to share your reactions and suggestions regarding the strategies we have identified in the plan so that we can further refine and improve our school in the months and years ahead.

#### Mission

**St. Malachy School Mission:** To provide an educational opportunity for each student of St. Malachy School to mature spiritually, intellectually, culturally, socially and physically.

#### Vision

In partnership with the Diocese of Peoria, St. Malachy Parish, faculty, parents and the area community; St. Malachy School will graduate students whose standards reflect the values instilled by quality Catholic education.

#### **SWOT Analysis**

SWOT (Strengths, Weaknesses, Opportunities, Threats) analysis guides the planning team with identifying the positives and negatives of your school's current reality. Developing a full awareness of your situation can help with both strategic planning and future decision-making. A SWOT analysis provides additional context for planning decisions. The SWOT analysis will help you plan for the future by articulating how the school operates right now. It will reveal trends, irregularities, limitations, and opportunities. To perform a SWOT analysis, gather information about the school's strengths and weaknesses, services, programs, activities, staffing, and finances. This can be done via self-assessment by the planning team and/or by gathering input from other stakeholders through a survey or focus groups.

**Catholic Identity:** Our faith education program for students is led by a DRE, Sr. Paulette Joerger, a Dominican Sister. Each grade from K-8th has religious education taught by our practicing Catholic teachers, who have been trained to teach catechetical programs. Our ACRE scores are strong, due to the fact that 72 % percent of our K-8 students are Catholic. We hold numerous prayer services during the school year and have a strong Catholic presence in our school. Having Dominican Sisters active in our school and the pro-active visible presence of our pastor has a wonderful faith impact on our students and staff. We also, have a new priest this year.

**Academics**: St. Malachy has a traditional PreK – 8<sup>th</sup> grade academic program. We offer small class sizes and differentiated instruction. Our newly expanded preschool program, Tiger Cub Academy, is taught by 2 lead teachers with the assistance of two teacher's aides. In grades K – 8 there is 1 teacher per grade level (except 2<sup>nd</sup> & 3<sup>rd</sup> grades are combined). As part of our educational program, each grade level participates in PE, Music, Spanish, Library and Computers. Through the public school system, we offer Title 1/RTI services for those students who qualify. In 2014-2015 school year, all grades scored at or above their grade level. (Grade 4 scored two grades above level & Grade 5 scored one grade above level.) St. Malachy School is highly regarded in the Rantoul community and our students are proud to be St. Malachy alums. Data collected from the local schools reflect that St. Malachy students are highly successful in high school.

**Enrollment**: We have tracked enrollment for the past several years. There was a slight decrease in enrollment for the current school year, mainly due to job transfers. However new students helped to make up the difference in enrollment. This academic year we have enrolled 17 new preschoolers and 16 ne K-8 students. We have had an increase in Latino enrollment, enrolling 7 students last year and 4 so far this year. We are implementing new programs to help with this. (ex. Parent ambassador program/Madrinal Model, ESL resources and professional development, Bi-lingual literature, and also having a translator and bi-lingual pastor available if needed).

**Marketing:** St. Malachy currently has an active Marketing Committee of 6 which include the Director of Stewardship, parents, grandparents and parishioners. The committee has been active for the last 6 years. In that time the committee has accomplished many things. The committee has developed a yearly marketing plan using some of the marketing resources provided by the Diocese.

**Development**: A new Director of Stewardship was hired in August 2017. An Annual Fund Drive was established in 2013 among other things. We hold two major fundraisers during the academic year, the *Fall Fest* and the *Spring Auction*.

**Facilities:** St. Malachy School is a well maintained structure, yet there are projects that need to be addressed in the near future. (roof, upgrading of lighting, students furniture, etc.) Areas of the school are 10 yrs old (gym, preschool, Kindergarten, music room, science and computer lab). Our computer lab is one of our strengths but the lab needs upgrading; as well as our Science lab.

**Finances:** The school is operating at a small deficit but is able to operate with the help of generous donors and hard work through fundraising. The school finance committee has been working on ways to cut spending and increase revenue.

#### **Catholic Identity**

At this point in the process, strategic planning begins to produce lots of ideas and possible action steps. Often the scope of this activity can be managed by delegating different topics to different committees.

Each topic area (Catholic Identity, Academic Excellence, Enrollment Management, etc.) of the strategic plan will have one or more goals. Goals are a clear statement of the mission, specifying the accomplishments to be achieved if the mission of the school is to be realized. Goals should be SMART (Specific, Measurable, Attainable, Realistic, and Time-bound). For example, a goal might state: "By 2016, the enrollment in the school will increase by 10 percent." Action steps are even clearer statements of the specific activities required to achieve the goals, starting from the current status and moving toward the preferred future.

Complete the following table(s). Add more goals if needed.

#### Goal #1:

During the 2017-18 school year, with a new priest we will continue to support and foster religious vocations.

1. Vocational Awareness- Every Thursday from August through May, Father Phelps will teach a short lesson in each class/grade. shadow one student a week from a different grade level.       Annually (August- May)       Fr. Phelps; Dominican Sisters; Principal: Catholic Catholic Catholic Catholic Catholic Catholic Catholic Catholic Catholic Catholic Committee       On-going       \$0       N/A         Annual Visits- -Father Phelps will meet with male students in grades 7 <sup>th</sup> -8 <sup>th</sup> to discuss the vocation of prisethood. -Visit from seminarians to discuss the vocation of prisethood. -Visit from seminarians to discuss the vocation of prisethood. -Visit from seminarians to discuss the students in grades 5 <sup>th</sup> -8 <sup>th</sup> to discuss their religious vocation and invite those entering 6 <sup>th</sup> -8 <sup>th</sup> grade to join them at the Dominican Faith Camp at Sacred Heart Convent.       N/A         "Adopt a Seminarian"- Support our adopted seminarian through a variety of activities (Skyping, sending letters & gifts, praying, and visiting with, etc)       St. Therese Novena for Vocations- For 9 days the whole school will participate in a novena for the increase of religious vocations.       Image students in grades 5 <sup>th</sup> -8 <sup>th</sup> to discuss their religious vocations.       Image students in grade to discuss their religious vocations. 2.	Continue to find opportunities to build relationships with the Latino community	Throughout the year	Pastor; Administration ,Principal	On-going	\$0	
3.	Hispanic Community Liaison. This person will be the information conduit on activities at the school and responsible for increasing the involvement of the Hispanic community at St. Malachy School.	2017-18 school year	Marketing Committee School Administration	On-going	\$4500	Service Hours/Tuition Credit
•	Provide guidance under the Madrinal Program Oral and written translation when needed Aid staff members in translating newsletter, report cards, notes, etc. Aid secretary on translating handbooks, registration information, policies, etc					

#### Marketing

At this point in the process, strategic planning begins to produce lots of ideas and possible action steps. Often the scope of this activity can be managed by delegating different topics to different committees.

Each topic area (Catholic Identity, Academic Excellence, Enrollment & Marketing, etc.) of the strategic plan will have one or more goals. Goals are a clear statement of the mission, specifying the accomplishments to be achieved if the mission of the school is to be realized. Goals should be SMART (Specific, Measurable, Attainable, Realistic, and Time-bound). For example, a goal might state: "By 2016, the enrollment in the school will increase by 10 percent." Action steps are even clearer statements of the specific activities required to achieve the goals, starting from the current status and moving toward the preferred future.

Complete the following table(s). Add more goals if needed.

#### Goal #1:

Increase community awareness of St. Malachy School to raise enrollment, funding and endowments.

Action	Steps	Timeframe	Person(s) or Group Responsible	Projected Completion Date	Estimated Cost	Funding Source
1.	Purchase new yard signs for businesses and parents to display.	July 2017	Director of Stewardship; Marketing Committee.	Ongoing	\$1000	Budget
2.	Create an information packet/newsletter to be distributed by local realtors and the Rantoul Chamber of	January 2018	Marketing Committee, Pastor,	Annual Update	\$1750	Budget

	Commerce to new families, who are moving to the area.		Principal, Director of Stewardship, Home & School Rep, Staff, & Administrative Assistant.			
3.	Create a comprehensive database on the school network of all St. Malachy alumni including as much contact information as available – with a requirement of at least a mailing and email address and year of graduation.	2017-2018; On-Going	Administration, Director of Stewardship, Parish Office staff & the Centennial Committee.	Ongoing	\$0	\$0
4.	Submit pictures of activities and important events to Rantoul Press on a monthly basis.	2017-2018	The Marketing Committee	On-going		
5.	Participate in the annual 4th of July Parade and town celebration "Rock the Runway" & carry the school banner	July 2017	The Marketing Committee; Booster Club	July 2017	\$0	

#### Goal #2:

Continue to utilize our School Website and Social Media Plan that includes real-time information on tuition plans, financial assistance packages, academic and curriculum information, administration and teacher profiles, current sports schedules and academic excellence statistics for marketing purposes.

Action Steps	Timeframe	Person(s) or Group Responsible	Projected Completion Date	Estimated Cost	Funding Source
<ol> <li>Continue to update our new school website, Twitter, and Facebook.</li> </ol>	July 2017- August 2018	Technology Director	On-going Update	\$0	Budget

#### **Development**

At this point in the process, strategic planning begins to produce lots of ideas and possible action steps. Often the scope of this activity can be managed by delegating different topics to different committees.

Each topic area (Catholic Identity, Academic Excellence, Enrollment & Marketing, etc.) of the strategic plan will have one or more goals. Goals are a clear statement of the mission, specifying the accomplishments to be achieved if the mission of the school is to be realized. Goals should be SMART (Specific, Measurable, Attainable, Realistic, and Time-bound). For example, a goal might state: "By 2016, the enrollment in the school will increase by 10 percent." Action steps are even clearer statements of the specific activities required to achieve the goals, starting from the current status and moving toward the preferred future.

**Goal #1:** Under the direction of the new Director of Stewardship have a development fund of \$10 million dollars in twelve years from which earnings can be used to offset deficits.

Action Steps	Timeframe	Person(s) or Group Responsible	Projected Completion Date	Estimated Cost	Funding Source
<ol> <li>Constant reminders of use of memorials for school in general in the weekly church bulletin; personal attention to appropriate parishioners with significant means.</li> </ol>	2017-2018	IT Director, Director of Stewardship, Parish Business Manager	On going	\$0	N/A

	7: Replacement of roof over s		Person(s)	Projected		<b>J</b>
Action	Steps	Timeframe	or Group Responsible	Completion Date	Estimated Cost	Funding Source
1.	Building and Grounds Committee meeting to discuss action plan and employ a structural engineer and architect.	6 to 10 years	Building and Grounds Committee	6 to 10 years	\$575,000	Henry Smith Trust and Capital Improvement Drive
2.	Develop final plans and estimate of cost.					
3.	Secure funds.					
4.	Repaired any leaks as part of general maintenance.	Summer 2017- ongoing/as needed	Maintenance	Ongoing/as needed	\$500	Budget

#### **Finances**

At this point in the process, strategic planning begins to produce lots of ideas and possible action steps. Often the scope of this activity can be managed by delegating different topics to different committees.

Each topic area (Catholic Identity, Academic Excellence, Enrollment & Marketing, etc.) of the strategic plan will have one or more goals. Goals are a clear statement of the mission, specifying the accomplishments to be achieved if the mission of the school is to be realized. Goals should be SMART (Specific, Measurable, Attainable, Realistic, and Time-bound). For example, a goal might state: "By 2016, the enrollment in the school will increase by 10 percent." Action steps are even clearer statements of the specific activities required to achieve the goals, starting from the current status and moving toward the preferred future.

Complete the following table(s). Add more goals if needed.

**Goal #1:** Communicate to the parish and alumni the financial situation of school on a regular basis.

ction Steps	Timeframe	Person(s) or Group Responsible	Projected Completion Date	Estimated Cost	Funding Source
<ol> <li>Pastor discusses finances from the pulpit with specific needs describe including tuition assistance regularly.</li> </ol>	2017-2018	Pastor and Director of Stewardship	On-going	\$0	N/A
<ol> <li>Annual Appeal-Reach out to alumni and parishioners to seek involvement.</li> </ol>	2017-2018	Director of Stewardship	On-going	\$0	N/A

Action	Steps	Timeframe	Person(s) or Group Responsible	Projected Completion Date	Estimated Cost	Funding Source
1.	Research additional tuition sources from diocese and possibly nationally, particularly for Hispanic students -Apply for Dominican Hispanic Grant	August- May 2017-2018	Director of Stewardship; Principal	On-going	\$500	Budget
2.	Froze tuition for two years. -continue to hold two annual fundraisers to help keep tuition down.	2015-2017	Pastor; Principal; Finance Committee	On-going		HJS Trust; School funds
3.	Set up a meeting to discuss tuition for the 2018-19 School Year	November 2017	Pastor; Principal; Finance Committee	January 2018
